

**OPEN STUDIES
TO OCCUPATIONAL AND PHYSICAL THERAPIST ASSISTANT
SCHOOL OF COMMUNITY, WELLNESS AND HEALTH**

UPDATED: APRIL 2022

You are responsible for ensuring that your registration is complete and appropriate and that your course choices comply with the program to which you have been admitted at Red Deer Polytechnic and/or to the university to which you wish to transfer (if applicable). You are cautioned that any changes to your courses, your major or your transfer destination may adversely affect your transferable credit (if applicable), admission requirements for future programs, or eligibility to graduate from Red Deer Polytechnic. Please consult with an Advisor if you have any questions.

Students in university transfer programs are strongly advised to refer to the calendar of the university to which they wish to transfer and should contact appropriate university departments as required.

ADMISSION REQUIREMENTS AND PROGRAM DESCRIPTION

- See the [Academic Calendar](#) for admission requirements.
- Open Studies provides you with an opportunity to:
 - Explore topics of interest to help you determine which program is right for you.
 - Start taking courses that count towards another program, prior to being admitted to your goal program (limited selection for Health Science programs)
 - Take upgrading courses, if needed, in addition to post-secondary level courses.
 - Take any course for which you have the pre-requisites, and which are not restricted to a specific program.
- Check the admission requirements for your goal program in the [Academic Calendar](#).

WHAT IS THIS GUIDE?

- This is an Academic Planning Guide, prepared by the Student Connect Centre to help you register for courses towards your desired program.
- If you are transferring to another institution to complete your degree, we strongly advise that you read the Academic Calendar of your destination institution for full information.

WHAT IS A TERM? TERMS ARE THE PERIOD IN WHICH YOUR STUDIES TAKE PLACE. AT RDP, WE OFFER FOUR TERMS.

- **Fall** term (September through December)
- **Winter** term (January through April)
- **Spring** term (May through June): Spring term is an optional, condensed term. Course offerings are limited.
- **Summer** term (July through August): Summer term is an optional, condensed term. Course offerings are very limited.

HOW MANY COURSES SHOULD I TAKE A TERM?

- For Fall or Winter, the maximum course load is:
 - 5 post-secondary courses
 - OR 2 upgrading courses and 2 post-secondary courses
 - OR 1 upgrading course and 3 post-secondary courses
 - OR 3 upgrading courses
- For Spring or Summer, the maximum course load is:
 - 2 courses, regardless of whether they are upgrading or post-secondary level.
- We encourage you to find the best course load for you to be successful in your courses and your program! Open Studies is very flexible and you can choose a course load that matches your goals and the demands of your life.
- When determining your course load keep your funding in mind, if applicable. For course load requirements for funding purposes, please visit www.rdpolytech.ca/psfunding.

WHAT IF I COMPLETED COURSES AT ANOTHER POST-SECONDARY INSTITUTION?

Once you are admitted to RDP, you can then apply to have your post-secondary courses assessed for transfer credit through our [Recognition of Prior Learning Office](#). Complete an [RPL application form](#) and provide the Polytechnic Assessors with any and all transcripts, course outlines/descriptions, or other documentation necessary to support your application.

NOTE: To qualify for a Red Deer Polytechnic program credential, students must complete at least 50% of the credit requirements for the credential through enrolment in RDP courses.

REGISTRATION AND PROGRAM AUDIT

- Refer to the **Registration** tab on your Loop account to view **Registration Tips and Tricks** for information on:
 - Registering in classes
 - Waitlisting
 - Checking Prerequisites and Corequisites
 - Courses listed as **prerequisites** must be completed before you start the course in question.
 - Courses listed as **co-requisites** must be taken at the same time as the course in question.
 - Viewing Your Schedule
 - And much more!
- After you have completed your registration, if you would like an advisor to review your registration please submit a [Registration Review Form](#).

OCCUPATIONAL AND PHYSICAL THERAPIST ASSISTANT

Possible courses for advanced credit	Notes
COMM 250	Pre-requisite of ELA 30-1 or COMM 150 Required 1 st year course
KNSS 307	Required 1 st year course This course is reserved for KNSS students until the middle of July. IF there are still seats available after that point, Open Studies students may register.
If you require upgrading in order to meet the minimum admission requirements for the program , you can add them to your Open Studies schedule – Academic Upgrading course equivalencies can be found on our website .	

Important Notes about the Occupational and Physical Therapist Assistant program

- Fall intake only: Apply on Oct 1st. This program will fill and waitlist on the opening day, so it is important that you submit your application ON Oct 1st.
- Completing any of the above classes does not increase your chances of gaining admission, nor will it shorten the length of the program. It will provide a lighter course load, however.
- Offers of admission for waitlisted students may occur up until early September. Please monitor your email and phone if you are waitlisted!

For an alternative route to Occupational and Physical Therapist Assistant, please see the [Pre-Health Sciences program](#). This program will provide an additional course for advanced credit (INTP 102), will meet the Math and Biology admission requirements, and 10% of seats in the OPTA program are reserved for Pre-Health graduates with a minimum GPA of 3.3 and at least a C in each required course.
