

**BACHELOR OF EDUCATION AND BACHELOR OF ARTS OR SCIENCE COMBINED DEGREE (5 YEARS)
GENERAL MAJORS, SINGLE DISCIPLINE & OTHER COMBINED DEGREE PROGRAMS
UNIVERSITY OF LETHBRIDGE**

UPDATED: MARCH 2023

This academic planning guide highlights *only* major points regarding program and transfer admission requirements. Consult the University of Lethbridge Calendar and The University of Lethbridge Program Planning Guide for your program, the Red Deer Polytechnic Calendar, and the Alberta Transfer Guide. **This document is only for the Combined Bachelor of Education program transferable to The University of Lethbridge.** Each student is responsible for researching and being aware of all applicable university program and transfer admission regulations in their year of admission, using the Alberta Transfer Guide (www.acat.gov.ab.ca) to determine transfer of credit for all courses taken, and contacting the Faculty of Education at The University of Lethbridge (<http://www.uleth.ca/edu>) early on if they attended post-secondary institutions other than RDP and/or programs other than Bachelor of Education at RDP, or earned the academic status of Required to Withdraw in a previous term(s).

OVERVIEW OF THE COMBINED DEGREES PROGRAM

The entire program consists of 150 credits (50 3-credit courses) of which at least 90 credits (30 3-credit courses) must be completed at The University of Lethbridge. The post-diploma programs require a minimum of 105 credits (35 3-credit courses) after completion of the appropriate diploma at RDP. For more information see the [U of L website](#).

Both the General Major and the Single Discipline Major programs will prepare you to teach well at any grade level. You will be prepared to teach the (teachable) subject you choose to all grade levels, making you very well rounded as an educator.

In order to be considered for admission to the Education program at U of L you must have completed a minimum of 42 credits (14 **graded** 3-credit courses) that includes a minimum number of courses towards your major by the March 1 document deadline.

- **Students must include EDUC 1500 (The Teaching Profession) with additional observation hours.** This course (equivalent to EDUC 2500 at the U of L) must be completed prior to Fall admission to the Faculty of Education.
- **Maximum transfer: 45 credits (15 courses) in the first degree (e.g. Arts and Science) and 15 credits (5 courses) that transfer as EDUC to the U of L.**

For the BA/BEEd or BSc/BEEd programs, you must select a Major. There are a number of Majors (particularly in the Science area) where RDP does not offer enough courses for you to complete two years of coursework at RDP and for those it is recommended that you transfer to U of L *after year one* (in the pages that follow, these Majors are identified).

- **You must also complete a number of Arts & Science options** (courses which are offered in or transfer into the Faculty of Fine Arts and the Faculty of Arts & Science) which are used to complete the "LIB ED REQUIREMENT" (see page 2 for definition and course selections).
- **There is no room in the BA/B.Ed. or BSc/B.Ed. program for courses that transfer to U of L as *Management (MGT) courses*.** Do not take courses that transfer to U of L as *MGT* (unless your major is #26 on page 15: General Management/Career & Technology Studies: Business Focus).

Students should become familiar with the minimum admission requirements before they apply to the Faculty of Education. If you are not admitted directly to the Faculty of Education to start Professional Semester I (fall term only), the alternate program of choice would be acceptance to the Pre-Combined Degrees program where you would continue taking courses towards the non-Education portion of the program. It is not uncommon for transfer students to complete 1 year of studies in a Pre-Combined program at uLethbridge before applying to the Faculty of Education. Students are typically no further behind in their program if following this plan; only the sequencing of courses would change. You would then apply by the February 1st application deadline for the next fall intake.

For complete admission requirements the U of L website (<https://www.uleth.ca/ross/admissions>), or the Faculty of Education undergraduate programs (<https://www.uleth.ca/edu>).

It is imperative for each student to use the Alberta Transfer Guide (<https://transferalberta.alberta.ca/transfer-alberta-search/#/searchTypeStep>) to ensure all RDP courses transfer appropriately to the U of L. Students are responsible for meeting program requirements for their year of application.

No more than 10 half courses (30 credits) at the 1000-level may be taken for credit toward this program. This includes RDP courses which transfer to U of L as 1000-level courses and 0500-1999-level courses taken at U of L. However, for BFA/BED and BMUS/BED, the maximum remains at 8 half courses (24 credits).

UNIVERSITY OF LETHBRIDGE LIBERAL EDUCATION LIST REQUIREMENT

The Liberal Education List Requirement (Lib Ed Requirement) is a 12-course requirement for all University of Lethbridge undergraduate students. This requirement supports the liberal education philosophy of the University and ensures that students acquire breadth of knowledge encompassing a wide variety of disciplines. The Liberal Education List Requirement must be completed prior to graduation from the University of Lethbridge. It is possible that not all LIB ED REQUIREMENTS will be completed before leaving Red Deer Polytechnic.

The courses listed below are Red Deer Polytechnic courses that transfer to the University of Lethbridge in the area indicated. For example, ANTH 308 transfers to the U of L as a Linguistics course and is a Humanities classification; ANTH 356 transfers as either an Anthropology course (Social Science) or Indigenous Studies course (Humanities); ANTH 200 and 306 transfer to the U of L as Archaeology courses and are Science classifications. The remaining transferable Red Deer Polytechnic Anthropology courses transfer as Anthropology courses and are Social Sciences classifications. See School of Liberal Education for a complete listing of U of L LIB ED REQUIREMENT courses: <https://www.ulethbridge.ca/ross/academic-calendar>

For Combined Degrees programs with Education, LIB ED REQUIREMENT courses transferring as ABHL, ADCS, CDEV, CRED, HLSC, MGT, NURS, PUBH, or TREC may **only** count towards the degree requirements in the BMGT/ BED program. Use the Alberta Transfer Guide to check transfer for each course chosen.

English, Physical Education and Social Studies are typically the most competitive majors. In more recent years, the other majors have become more competitive as well.

The Faculty of Education has an admission policy for students of Indigenous descent, as well as Special Case admission for students with a significant shift in academic performance due to extenuating circumstances. (See the current Calendar for more information.

EDUCATION COURSES (15 credits):

Education Core (3)

EDUC 1500 (previously known as EDUC 250) (3) – **Please read the information below carefully:**

Students hoping to receive equivalent course credit for EDUC 2500 by completing additional classroom observation hours to those earned in EDUC 1500 at RDP can follow these guidelines:

1. *Student is responsible for submitting a letter (s) of reference (written by the supervising teacher) to Student Program Services, Faculty of Education, by **May 1**.*

*Letters **must specifically state the total number of hours** (not the number of days or weeks). The teacher(s) to provide a description of duties performed by the student as well as identifying the student's suitability to teaching (including a **favourable recommendation to the teaching profession**),*

Note: The student must also indicate that the classroom hours are in addition to those earned in EDUC 1500 at RDP. (Otherwise, we will likely assume the student is working towards 120 hours, as per the standard EDUC 2500 waiver policy.)

2. Each letter must be on school letterhead and signed by the supervising teacher(s).

Note – Serious deficits in oral communication skills, written communication skills, undesirable professional conduct and/or significant deficiencies in one area of performance should result in a student not being given a positive recommendation to the teaching profession.

If students have completed EDUC 1500 (previously known as EDUC 250) at RDP, the total classroom observation hours required to receive credit for EDUC 2500 (instead of EDUC 2xxx) is 60:

- Classroom hours completed in EDUC 1500 + additional hours = **60 total**

Education Options (12)

Choose four from:

- EDUC 1302 (previously known as EDIT 302 at RDP) (3)
- EDUC 1301 (previously known as EDCM 341 at RDP) (3)

*Letters **must specifically state the total number of hours** (not the number of days or weeks). The teacher(s) to provide a description of duties performed by the student as well as identifying the student's suitability to teaching (including a **favourable recommendation to the teaching profession**),*

Note: The student must also indicate that the classroom hours are in addition to those earned in EDUC 1500 at RDP. (Otherwise, the Faculty of Education will likely assume the student is working towards 120 hours, as per the standard EDUC 2500 waiver policy.)

4. Each letter must be on school letterhead and signed by the supervising teacher(s).

Note – Serious deficits in oral communication skills, written communication skills, undesirable professional conduct and/or significant deficiencies in one area of performance should result in a student not being given a positive recommendation to the teaching profession.

If students have completed EDUC 1500 at RDP, the total classroom observation hours required to receive credit for EDUC 2500 (instead of EDUC 2xxx) is 60:

- Classroom hours completed in EDUC 1500 + additional hours = **60 total**

Education Options (12)

Choose four from:

- EDUC 1302 (previously known as EDIT 302 at RDP) (3)
- EDUC 1301 (previously known as EDCM 341 at RDP) (3)

Admission to the Bachelor of Management Program (NEW TRANSFER ADMISSION):

If you have completed three or more transferable term courses, you are considered to be a New Transfer applicant. Admission requirements vary depending on the number of transferable, post-secondary courses completed. Contact the Admissions Office and Dhillon School of Business at U of L for further information.

Post-Diploma Bachelor of Management/ Bachelor of Education: General Management/ Career & Technology Studies: Business Focus

RDP students who complete an approved RDP Business Administration Diploma program must first apply for admission to the U of L's Pre-Post -Diploma Bachelor of Management/Bachelor of Education program and complete these two degrees with an additional 35 courses at the U of L.

Students who have completed courses during their diploma program that are required in the Post-Diploma program must replace them with alternative courses approved by the Dhillon School of Business (e.g. students who take **BADM 111** at RDP should not also take **STAT 1770** at the U of L). Please consult an academic advisor in the Dhillon School of Business at the U of L. Admission to the Faculty of Education is provided on the following page.

ADMISSION AND TRANSFER INFORMATION

A maximum of 15 non-education (Fine Arts, Humanities, Social Science, Science, etc.) courses (45 credits) and a maximum 5 appropriate Education courses (15 credits) may be transferred to the U of L for a total of 60 credits.

To be considered for admission to the quota-based Education program, students must meet all following minimum qualifications for admission to the Faculty of Education (approximately year three of the Combined Degrees program):

- **Completion of a minimum of 14 graded 3-credit courses/42 credits, with grades submitted by the March 1 document deadline.**
- **A minimum cumulative grade point average (GPA) of 2.50** out of 4.0 calculated on all U of L and transferable courses taken within the terms containing the last 14 **graded** university-level courses (42 credit hours). ALL courses comprising the minimum 14 courses and Admission GPA must be graded. Meeting the minimum admission GPA does not guarantee admission to the Bachelor of Education program. See last year's admission GPA cut-offs on next page.
- **Completion of a *minimum* number of courses in the teaching subject major by the March 1 document deadline:**
 - Five courses for a single discipline major; or
 - Eight courses for a general major (including at least four courses in the main teaching subject area) *prior to* admission to the Faculty of Education. See <http://www.uleth.ca/education/programs-degrees/undergraduate-studies/admission/requirements-0>).
- **A minimum cumulative grade point average of 2.50 on all graded courses comprising the major.**
- **Credit in Education 2500 - *Orientation to Teaching*** (this course is called EDUC at RDP).

Note:

- **Courses that transfer as MGT** are not applicable to program except in the BMgt/B.Ed. program. (If students in other programs have completed transferable MGT courses, the Faculty of Education will include them in the Admission GPA if they fall within the terms containing the most recent 14 transferable U of L courses (for admission purposes only.) In this case the MGT courses would be extra to the program. Contact the Faculty of Education).

- The Faculty of Education has an admission policy for students of Indigenous descent and students with a significant shift in academic performance (see the current U of L Calendar or contact U of L Faculty of Education for more information).

See detailed Faculty of Education admission requirements in <http://www.uleth.ca/education/programs-degrees/undergraduate-studies/admission/requirements-0>.

ADMISSION GPA REQUIREMENTS:

GPA requirements differ for admission to the University of Lethbridge and admission to its Faculty of Education. The minimum GPA required for admission to the University is 2.00 on eight (8) or more transferable courses.

Admission to the Faculty of Education requires a minimum cumulative GPA of 2.50 on all U of L and transferable courses taken within **terms containing** the most recent 14 university level courses (42 credit hours) and in all courses comprising the major. However, because admission to the Faculty is competitive within each teaching major, the admission GPA required for admission may be higher. For example, in highly competitive school subject areas such as English, Physical Education, and Social Studies, the GPA required for admission to these areas may be well above the minimum requirement.

The competitive admission grade point averages (AGPA) for various majors as of September 2022 were as follows:

MAJOR	2022
Art Education	2.91
CTS: Business Focus <i>and</i> CTS: New Media Focus (<i>since 2015</i>)	3.38
Drama Education	3.52
English Language Arts Education	3.29
Indigenous/Native Education	2.50
Mathematics Education	2.86
Modern Languages Education	2.50
Music Education	2.50
Physical Education	3.39
Science Education (BIOL)	3.46
Science Education (CHEM)	3.46
Science Education (GEOG)	3.09
Science Education (PHYS)	2.50
Social Studies Education	3.40

The GPA reflects the cutoff of the last student admitted per major.

Please note that the above numbers will change each year and should only be used as a guideline. Contact the office of Student Program Services (SPS) in the Faculty of Education for additional admission inquiries.

The admission GPA is based on the terms containing the last 14 university level courses (42 credit hours); all courses counting towards the admission GPA must be **graded**. Although AGPAs can vary significantly from year to year, the above figures give an indication of the competitiveness for each major.

Please see the [Faculty of Education website](#) for additional information or contact SPS for further information: edu.sps@uleth.ca

Transferable courses with an “F” grade are calculated into the admission grade point average (AGPA) (even though they are not applicable to the degree) **unless** they have been repeated with a transferable grade. For admission to the Faculty of Education, 'F' grades will only be calculated into the admission grade point average if they fall within the terms containing the last 14 graded courses (42 credit hours). If the courses have been repeated, the higher grade will be used for admission to the Faculty of Education.

Repeated courses: If you repeat a course at RDP, the higher grade may be used in determining the U of L admission GPA for the Faculty of Education if the course falls within the terms containing the last 14 graded courses (42 credit hours). Contact the Faculty of Education for more information.

Required to withdraw: New Transfer applicants must have an Admission GPA of at least 2.00 on the 4-point scale to be considered for admission to the U of L. New Transfer applicants who have been *Required to Withdraw* more than once will normally not be considered for admission. However, recent evidence of superior transferable work and individual circumstances will be considered. Please contact the U of L Registrar’s Office as soon as possible if you have had two or more terms with a GPA below 2.00.

Application and document deadlines for the Faculty of Education:

- Application deadline of **February 1** for direct entry to the Faculty of Education (approximately year three).
- Document deadline of **March 1**.
- Courses taken at RDP in winter or a spring/summer term, which immediately precedes your admission to the U of L, will **not** be used for admission to the Faculty of Education due to the March 1 document deadline. However, these courses may reduce program requirements within the limits of maximum transfer courses.
- If an applicant does not meet admission requirements for direct entry to the Faculty of Education, the applicant is advised to apply to the Pre-Education Combined Degree program of choice instead. This allows the applicant to continue working on the non-Education side of the degree at U of L. Then, the student can apply to the Faculty of Education in the preceding year, or once all minimum admission requirements are met.
- Students who are not admitted after year three in a Combined Degree can choose to complete a single, 40 course non-Education degree (BSc., BA., BFA., BMgt.). After completion of a first degree, the student can apply to the Bachelor of Education [After Degree](#) program.

The Faculty of Education has an admission policy for students of Indigenous decent and students with a significant shift in academic performance (see the current U of L Calendar or contact U of L Faculty of Education for more information).
